Your Excellency,

It is with sadness that I have learned of the passing of former Prime Minister Raila Amolo Odinga.

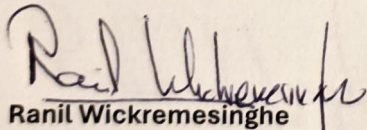

I extend my heartfelt condolences to Your Excellency, the Government and the people of Kenya, and to the family and loved ones of the late Rt. Hon. Odinga.

Prime Minister Odinga will be remembered across Africa as a visionary leader, dedicated to the furthering of democracy, and championing social justice and good governance.

May his memory continue to inspire future generations to serve their nations with integrity and dedication.

Please accept, Your Excellency, the assurances of my highest consideration.

Yours sincerely,
