

*Senior Minister  
Singapore*

20 October 2025

*Dear President Ruto,*

I write to offer my deepest condolences on the passing of former Prime Minister Raila Amolo Odinga. Prime Minister Odinga will be remembered for his tireless service to Kenya and Africa, and contributions to the warm relations between Singapore and Kenya.

I had the honour of meeting Prime Minister Odinga during his Official Visit to Singapore in January 2010. I recall our discussion on the need to promote more exchanges between our countries and regions, and Prime Minister Odinga's prescient suggestion of a free trade agreement (FTA) between Singapore and the East African Community, which our economic agencies are actively working on today.

Once again, my condolences on the loss of Prime Minister Odinga.

*Yours sincerely  
L. H. S. G. S.*

His Excellency William Samoei Ruto  
President  
Republic of Kenya
